GRAND PRAIRIE HIGH SCHOOL

9th Edition

Grand Prairie, Texas

FOREWORD

Because it is an accumulation of the high principles of our school and the basis on which we strive to build our student government year by year, we have used the Grand Prairie High School Handbook for the theme and background of this year's GEEP. It is our sincere wish that we remember with deep regard what went into its making and that we remain loyal to that for which it stands—our school.

To Superintendent L. A. Roberts, whose whole manner speaks of honor, courtesy, and high standards; whose time in the Grand Prairie School System may be measured by years of unfaltering service spent in giving us the best foundation of school government that we can have, we, the class of nineteen hundred and fifty-one, dedicate this issue of THE GEEP.

SCHOOL SONG

Oh, Blue and White
We're here to see you fight
Oh, Blue and White
Fight hard for G. P. High
Oh, Blue and White
We're going to win tonight
Because we fight, fight,
Fight and fight for G.P. High.

Dear Mr. Roberts:
This is but a very insignificant way to say how much I, as one of the students of Grand Prairie High School, appreciate all the things, big and little, you have done for us. Some of the things you have done have never been recognized as brought into sight but they are still there: You have been remembered as a friend, a student in G.P.H.S. You won the love and friendship of every student ever forgotten in the hearts of all of us.

Ellen

Sincerely,
Pat Harcrett
